Family practice to open in W. Hempfield Township

By Paula Holzman

Columbia Regional Health Center plans to open Jan. 17 in West Hempfield Township.

The 4,800-square-foot facility, which will be affiliated with [Lancaster Regional Medical Center](#), is the combination of three family practices: those of Drs. Eugene J. Romano, John M. Jensen Jr. and Ralph B. Carruthers.

"The three physicians knew each other, and it makes sense to go into practice together (because they can) cover each others' patients and have the benefit of having each other to consult with and combine expertise," said Danielle Gilmore, director of marketing for Lancaster Regional Medical Center.

Columbia Regional Health Center is in the Columbia Shopping Center, at [1786C Columbia Ave.](#) The practice is holding an open house 11:30 a.m. to 1 p.m. on Jan 21.
